Ebola Must Go: Bury All Dead Bodies Safely: **Call 4455**

# Ebola Must Go: Bury All Dead Bodies Safely-Call 4455

2

During this Ebola time, we cannot care for family and friends that die the way we are used to. While you are waiting for the burial team to arrive, keep a distance of at least 3 feet (1 meter) from the body. Do not touch it.

3

Do not touch, wash or clean any dead body. Burying all who die safely is one of the best ways to make sure we have zero cases of Ebola in Liberia. **Call 4455** to report a dead body and to alert the burial teams to pick up the body for free burial.

5

Burial teams wear special protective clothes (the overhaul suits) to keep them safe. Burial teams are watched by others and have chlorine sprayers. They spray the chlorine to clean the body and the area the body was in to kill the Ebola virus and keep the family and the community safe.

**Protect yourself. Protect your family. Protect your community.**

For anyone who dies, **call 4455.**

All burials will be safe, free, and respectful of the body and the grieving family.
