

Laboratory Assessment Tool user survey now online!

After 3 years in use, the Health Laboratory Strengthening Team is conducting a review to determine how the tool has been used and learn from users what are its strengths and weaknesses. This review will serve as the basis for a potential revision of the Tool and publication of an improved version.

We would be very grateful if you could answer the following questions; this should take about 5-10 minutes.

Laboratory Assessment Tool user survey

The image displays six screenshots of the Laboratory Assessment Tool user survey interface. The first screenshot shows a form for user identification with fields for Name, ID, and Role. The second screenshot shows a table for 'Assessment questions' with columns for 'Question', 'Response', and 'Score'. The third screenshot shows a table for 'Assessment results' with columns for 'Question', 'Response', and 'Score'. The fourth screenshot shows a table for 'Assessment results' with columns for 'Question', 'Response', and 'Score'. The fifth screenshot shows a table for 'Assessment results' with columns for 'Question', 'Response', and 'Score'. The sixth screenshot shows a table for 'Assessment results' with columns for 'Question', 'Response', and 'Score'.
