Be a hero, be prepared! Learn with Tanah how to be prepared in case of tsunamis and earthquakes.

Tanah: The Tsunami and Earthquake Fighter is a mobile gaming app developed by [UNESCO-Bangkok](#), the Red Cross [Global Disaster Preparedness Center](#), and [USAID](#). Players can download the game for free on their mobile devices and follow the avatar Tanah through

different levels as she prepares for and respond to tsunamis and earthquakes.

It is available in English, Spanish, Nepalese, and Bahasa Indonesian.
