

Syrian Arab Republic: 2016 UN Inter-Agency Humanitarian Operations (as of 14 December 2016)

Since the beginning of 2016, the UN and partners successfully delivered multi-sectoral assistance through inter-agency operations, reaching over 1.2 million civilians in besieged, hard-to-reach and other priority cross-line locations with dire humanitarian needs. Many of these people were reached more than once. A total of 98 inter-agency convoys have been undertaken.

UNRWA has also delivered 32 convoys with multi-sectoral assistance to 19,000 in YBB*, including thousands of residents in and from Yarmouk.

In addition, through 159 WFP-led airdrops that commenced on 10 April, 2,876 metric tons of food, WASH, health, non-food items and nutrition supplies have been delivered to besieged parts of Deir-ez-Zor city. Three rounds of food distributions for 110,000 people have been completed, and a fourth round began on 18 October. Since 9 July, 207 airlifts to Quamishli have delivered 7,227 metric tons of food, WASH, shelter, NFI, education and nutrition supplies. Food rations will be prioritized for 175,000 people in hard-to-reach locations in Al-Hasakeh governorate.
