in

National Population Commission (NPC) [Nigeria] and ICF International. 2014. *Nigeria Demographic and Health Survey 2013*. Abuja, Nigeria, and Rockville, Maryland, USA: NPC and ICF International.

Date of correction  
**October 25, 2016**

Correction  
**Page 399, Table D.4**

Single year calendar year row labels (e.g., 2013, 2012, 2011, etc.) corrected by reducing each calendar year by two years and correct data rows for years 2012 and 2013 added. Data for five year groupings (e.g., 2009-2013) re-calculated.

The data that have changed are shown below in yellow highlight, and two rows of data have been removed (indicated in strikethrough).

The table has been corrected in the electronic version of the report on the website.
