

NAMPHIA

NAMIBIA POPULATION-BASED HIV IMPACT ASSESSMENT

The Ministry of Health and Social Services (MoHSS) is leading NAMPHIA which is a nationwide survey to assess HIV prevention, care and treatment services in Namibia.

- Test for HIV in the privacy of your own home and learn your status
- You will be given information about HIV prevention, care and treatment
- If you are living with HIV you will also have your CD4 count and your viral load tested
- The survey staff will conduct HIV counseling and testing for all participants

This information will help the government to improve health services in Namibia
