## Tobacco Control Database for the WHO European Region

*"The power of data to fight tobacco"*

The graphic features a magnifying glass over a map of Europe, with a dark blue button labeled "Search by Country" to its right.

Interested in a specific country or countries?  
Find out which tobacco control measures match the country you are looking for.

Explore! Access data, laws, analysis, charts and country comparisons.  
Identify leading countries with the interactive chart feature.

The graphic features a magnifying glass over icons representing tobacco control measures (cigarettes, a person, a document with a checkmark, a person icon, and a document with a checkmark), with a dark blue button labeled "Search by Measure" to its right.

Interested in specific tobacco control measures?  
Find out which countries match what you are looking for.

Explore! Access data, laws, analysis, charts and country comparisons.  
Particularly useful for identifying leading countries that match specific criteria.
