217

Strategic objectives

1. Reduce morbidity and mortality, as well as suffering from protection threats and incidents, of the most vulnerable populations in areas with severe need
2. Facilitate safe, equitable and dignified access to critical cross-sectoral basic services to enable populations to meet their basic needs in areas with severe need
3. Enable vulnerable people to recover from crisis, seek solutions to displacement, and build resilience to acute shocks and chronic stresses through targeted programming to support coping capacities and livelihoods in prioritized areas

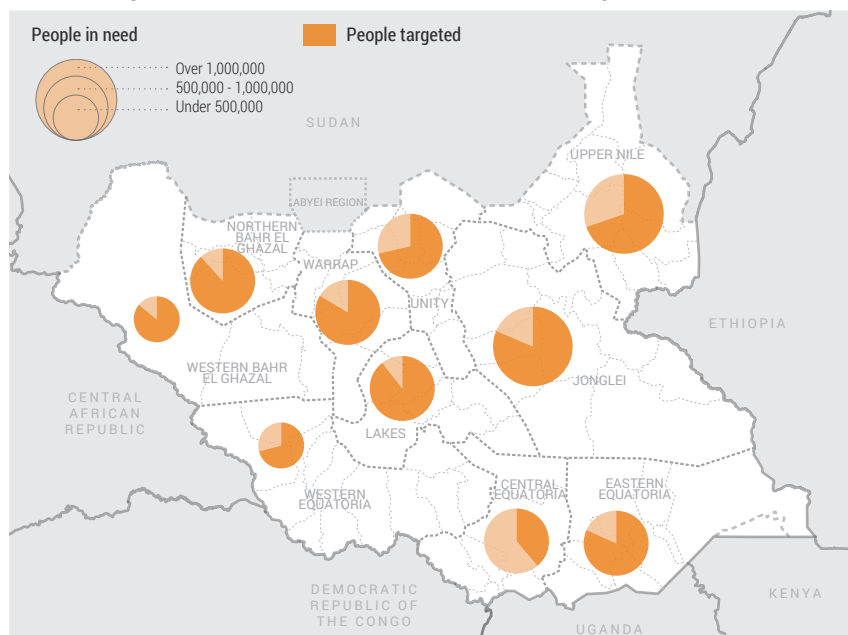

People in need, targeted and reached (2014-2020)

Funding required and received (2014-2020)

People targeted as a proportion of people in need, by area

The administrative boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations. Final boundary between the Republic of Sudan and the Republic of South Sudan has not been determined. Final Status of Abyei area is not yet determined.
