WHOLE OF YRIA

FACTS & FIGURES

End of year 2019

This Facts and Figures sheet incorporates UNICEF Whole of Syria data

JAN - DEC 2019

Total number of people reached by UNICEF WASH interventions

People reached in hard to reach locations by UNICEF and regular programmes)

985,000

52,000

HtR locations reached 269

SITUATION ANALYSIS

 In Syria, nine years into the crisis, access to sufficient quantities of safe water remains limited, with increased water quality assurances and support to water systems rehabilitation, operation and maintenance unconditionally needed.

• There is a need to maintain the provision of adequate WASH services and supplies for IDPs especially in the northeast and northwest, and to promote transition to more sustainable solutions while acknowledging that more emphasis on IDPs in collective centers and open areas is also needed.

RESULTS

beneficiaries reached by UNICEF interventions (Jan - Dec 2019) beneficiaries targeted (2019)

INDICATORS

- 1 Estimated number of people with access to improved water supply
- 2 Estimated number of people have improved access to sanitation services
- 3 Number of school children benefited from improved WASH facilities and services
- 4 Number of people supported with access to essential WASH NFIs including in hard to reach areas
- 5 Number of people reached with hygiene promotion interventions
- 6 Number of people benefited from access to improved lifesaving/emergency WASH facilities and services

PEOPLE REACHED

by Sub-District (Jan - Dec 2019)

RESULT	% REACHED	TARGET
4.7 m	127%	3.7 m
1.1 m	88%	1.3 m
261,000	67%	390,000
1.7 m	109%	1.6 m
470,000	90%	<mark>525</mark> ,000
1.3 m	90%	l.5 m

RECENT HIGHLIGHTS

 During 2019, UNICEF reached over 4.7 million people with improved and sustained access to safe water, and over 1.1 million people through enhanced sanitation services.

 WASH in schools reached over 260,000 children including children with disabilities in 238 schools throughout the country.

 Moreover, over 1.7 million people were reached through distribution of WASH non-food items (NFIs) including family hygiene kits, soap and aqua tabs.
