

## NLiS Country Profile: Senegal

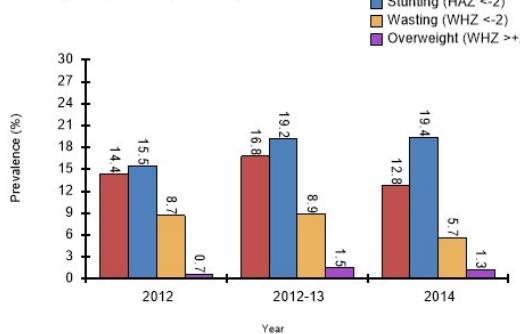

What are the current states of indicators contributing to a comprehensive view of nutrition for health and development in Senegal? Choose your country below and find selected **national** data on this NLiS country profile.

The **Global Nutrition Monitoring Framework** profile for Senegal is now available at <http://apps.who.int/nutrition/landscape/global-monitoring-framework?ISO=sen>

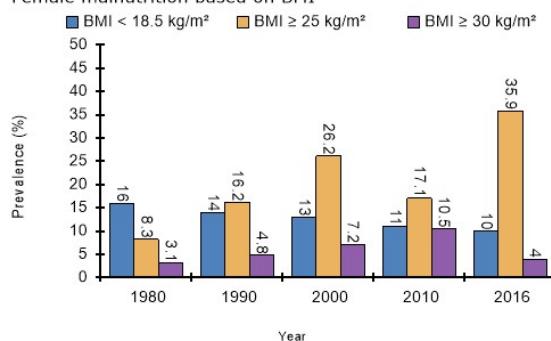

### Child Malnutrition

#### Child (<5 y) Anthropometry

### Malnutrition in Women

#### Female malnutrition based on BMI

### Health Services

| Indicator  | Year      | Value   | Source Info          |
|--|-----------|---------|----------------------|
| Births attended by skilled health personnel (%)  | 2015      | 53.2    | <a href="#">View</a> |
| Population using improved drinking-water sources (%)   | 2015      | 78.5    | <a href="#">View</a> |
| Population using improved sanitation facility (%)  | 2015      | 47.6    | <a href="#">View</a> |
| Children aged 1 year immunized against measles (%)   | 2016      | 93.0    | <a href="#">View</a> |
| Any antenatal iron supplementation (%)   | 2014      | 94.5    | <a href="#">View</a> |
| Children <5 years with diarrhoea receiving ORT (%)   | 2012-2013 | 21.5    | <a href="#">View</a> |
| Children with diarrhoea receiving zinc (%)   | 2017      | 26.9    | <a href="#">View</a> |
| Children aged 6-59 months receiving vitamin A supplements (dose 1) (%)   | 2017      | 63.0    | <a href="#">View</a> |
| Children aged 6-59 months receiving vitamin A supplements (dose 2) (%)   | 2017      | 58.0    | <a href="#">View</a> |
| Births in baby-friendly facilities (%)   |           | no data |                      |
| Mothers of children 0-23 months receiving counselling, support or messages on optimal breastfeeding at least once in the last year (%) |           | no data |                      |

### Caring Practices

| Indicator   | Year | Value | Source Info          |
|---|------|-------|----------------------|
| Early initiation of breastfeeding within 1 hour of birth (%)                                    | 2017 | 33.6  | <a href="#">View</a> |
| Introduction to solid, semi-solid or soft foods in infants 6-8 months (%)                       | 2017 | 66.9  | <a href="#">View</a> |
| Minimum acceptable diet (MAD) in children 6-23 months (%)                                       | 2017 | 8.0   | <a href="#">View</a> |
| Children with diarrhoea <5 y receiving oral rehydration therapy (ORT) and continued feeding (%) | 2017 | 44.0  | <a href="#">View</a> |

### Commitment

| Indicator  | Year | Value   | Source Info          |
|--|------|---------|----------------------|
| General government expenditure on health as % of total government expenditure      | 2014 | 8.0     | <a href="#">View</a> |
| Total expenditure on health as % of gross domestic product                         | 2014 | 4.7     | <a href="#">View</a> |
| Per capita total expenditure on health (US\$)                                      | 2014 | 106.9   | <a href="#">View</a> |
| Nutrition component of the United Nations Development Assistance Framework (UNDAF) |      | no data |                      |

### Capacity

| Indicator  | Year      | Value | Source Info          |
|--|-----------|-------|----------------------|
| Degree training in nutrition exists                      | 2016-2017 | Yes   | <a href="#">View</a> |
| Nutrition is part of medical curricula                   | 2016-2017 | No    | <a href="#">View</a> |
| Nutrition professionals density (per 100,000 population) | 2016-2017 | 0.8   | <a href="#">View</a> |
|  | 2008      | 0.4   | <a href="#">View</a> |

No breastfeeding data available for this country

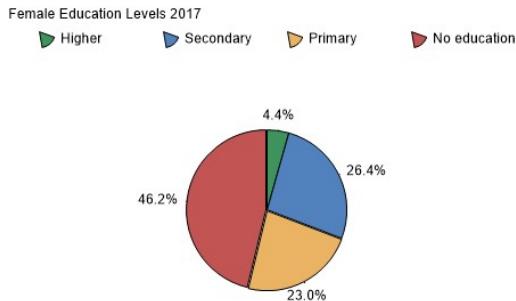

| Indicator  | Year | Value                 | Source Info          |
|--|------|-----------------------|----------------------|
| Nutrition component of Poverty Reduction Strategy Paper (PRSP)                       |      | no data               |                      |
| Nutrition Governance score   |      | no data               |                      |
| Maternity leave  | 2013 | 14 weeks              | <a href="#">View</a> |
