Welcome to SuperCourse

It is Multilingual Now!

Bienvenido al Super Curso Добро пожаловать в СуперКурс مرحبًا بك في سوپر كورس

SuperCourse(SC) is a repository of lectures and research methods materials on global health and other areas of science designed to improve the teaching of prevention and increase number of scientific publications. Supercourse has a network of about 2 million scientists in 174 countries (together with BA African Networks) who are sharing for free a library of more than **203,000** lectures in **38 languages** (together with [Science Supercourse](#)). The Supercourse has been produced at the WHO Collaborating Center University of Pittsburgh, with core developers Ronald LaPorte, Ph.D., Faina Linkov, Ph.D., Francois Sauer, M.D. and Eugene Shubnikov M.D. Please contact us at supercoursehelp@gmail.com .

Supercourse does not grant degrees or certificates, but is designed to be a resource for teachers, professors, and other educators. Supercourse does not provide access to faculty members developing the modules. You may submit your lecture(s) as Microsoft PowerPoint Presentations.

Featured Materials

- [JIT 2019-novel Coronavirus \(COVID-19\) Multilingual Lecture](#)
