# COVideo19: Bloomberg School Students Translate the Science

April 15, 2020

COVideo19 is an initiative led by students and faculty at the Johns Hopkins Bloomberg School of Public Health aimed at disseminating science-based information about COVID19. We want to make it easy for you and your loved ones to learn how to stay safe during this pandemic that has cost so many lives around the world.

So far, we have educational videos translated into the following languages (more to come!):

- Ghanaian (Dangme/Twi)
- Bahasa Indonesia
- Dutch
- French/DRC
- German
- Indian (Hindi/Maithili/Tamil)
- Korean
- Mandarin
- Nepali
- Nigerian (Hausa/Pidgin/Yoruba)
- Portuguese
- Spanish
- Thai
- Turkish
- Vietnamese
