🎯 Learning objectives

This webinar provides training on integrating GBV risk mitigation and how to support a survivor of GBV and safe referrals. This training is designed to provide an introduction to and resources for this area of work.

This learning resource contributes to UNICEF's HAC/SitRep COVID-19 indicator (Number of UNICEF personnel and partners that have completed training on GBV risk mitigation and referrals for survivors).

👤 Audience

This activity is recommended for all UNICEF personnel – staff, consultants, volunteers, including partners or anyone who wants to learn more.
