LAST UPDATE - JUNE 22, 2020

On January 30, 2020, the World Health Organization (WHO) released a [statement](#) declaring that the coronavirus (officially called [COVID-19](#) as of February 11, 2020) discovered in China in December 2019 now meets the criteria for a [Public Health Emergency of International Concern](#). The announcement led the way for official recognition of the deadly virus as a danger to all, and ministries/departments of health worldwide subsequently ratcheted up their efforts to prevent its spread.

As part of our effort to provide the latest resources and tools, the Compass created a [Trending Topic](#) on COVID-19, which is updated regularly with the latest materials. This page offers a selection of videos, songs, and PSAs created to inform the public about handwashing and general information about COVID-19.
