Here are resources to help accredited continuing education (CE) providers develop and deliver education about the COVID-19 vaccines. If you have any questions about accreditation requirements or any aspect of accredited education related to these vaccines, please contact us at info@accme.org (mailto:info@accme.org). We're here to help.

Please visit LearnToVaccinate.org(http://learntovaccinate.org) for a searchable list of accredited CE activities and other resources for clinicians. Please use the LearnToVaccinate.org Resource Submission Form

(https://www.accme.org/publications/covid-19-vaccine-resources-submission-form)

to submit your activities and resources for posting on LearnToVaccinate.org (http://learntovaccinate.org).

This page was last updated on January 13, 2021.

Resources and Materials from the Centers for Disease Control and Prevention (CDC)

Educators can download, use, and repurpose these materials to create their own CE activities.
