

eLearning Courses

Our eLearning courses are designed to cover every step, process, and issue that needs to be understood in order to conduct high-quality research. Every course is written to be globally applicable, for all diseases and all regions. Each course is carefully researched to provide high-quality material that is peer reviewed and regularly updated. A certificate is issued once a minimum of 80% is achieved in the course quizzes.

NEW COURSES:

[Pesquisa em emergências de saúde global: questões éticas](#)

[Ethics of sharing individual level health research data](#)
