Extra course services

Recertification

A recertification course is one of the three ways a provider can re-certify their provider skill.

[READ MORE](#)

Conversion

A conversion course is part of the conversion process of instructors who were trained by other organisations.

Course rules

The ERC course rules offer clear definitions for all our courses, certificates, faculty hierarchy, training evolution, specific course rules and other aspects. They guide our operations.

[READ MORE](#)

Certification

The ERC certificate is a guarantee that a holder completed one of our courses. All certificates can easily be checked online for authenticity.
