Training courses on the prevention of antimicrobial resistance

AGENCIES

World Health Organization (WHO)

- Free WHO Teleclass - Europe
New recommendations from the World Health Organization to fight antimicrobial resistance (<https://webbertraining.com/schedulep1.php?command=viewClass&ID=1330>)

European Centre for Disease Prevention and Control (ECDC)

- ECDC Virtual Academy - Training materials for a course on control of multi-drug resistant micro-organisms in health care settings (<https://eva.ecdc.europa.eu/course/view.php?id=174>)

United States Agency for International Development (USAID)

- Free-of-charge online training course from the Global Health Learning Center
Antimicrobial Resistance (Part 1) (<https://www.globalhealthlearning.org/course/antimicrobial-resistance-part-1-0>)
Antimicrobial Resistance (Part 2) (<https://www.globalhealthlearning.org/course/antimicrobial-resistance-part-2>)

PROFESSIONAL SOCIETIES

British Society for Antimicrobial Chemotherapy (BSAC) / FDI World Dental Federation

- Free-of-charge online training course from the British Society for Antimicrobial Chemotherapy (BSAC) and FDI World Dental Federation
Tackling antibiotic resistance: what should dental teams do? (<https://www.futurelearn.com/courses/tackling-antibiotic-resistance-dentists>)

EU/EEA COUNTRIES

Denmark

- Free-of-charge online training course from the Technical University of Denmark
Antimicrobial resistance - theory and methods (<https://www.coursera.org/learn/antimicrobial->

resistance)

- Free-of-charge online training courses from Statens Serum Institut
Introduction; How to handle livestock-associated MRSA?; More about microorganisms; Test
(<https://ssi.essenslms.com/public/hygiejne/hygiejne.html#/>)
Introduktion; Hvordan håndterer du husdyr-MRSA?; Mere om mikroorganismer; Test
(<https://ssi.essenslms.com/public/hygiejne/hygiejne.html#/>)

Sweden

- Free-of-charge online training course from ReAct and Uppsala University (2018)
Antibiotic Resistance: the Silent Tsunami (<https://www.reactgroup.org/antibiotic-resistance/course-antibiotic-resistance-the-silent-tsunami/>)

COUNTRIES OUTSIDE THE EU/EEA

United Kingdom

- Free-of-charge online training courses for laboratory professionals, clinical services and senior management, veterinary services and senior management, data scientists and epidemiologists and policy makers, from the Fleming Fund
Tackling antimicrobial resistance (Fleming Fund, 2021) (<https://www.open.edu/openlearncreate/course/index.php?categoryid=415>)
- Free-of-charge online training course from the University of Nottingham
Antimicrobial Resistance in the Food Chain (<https://www.futurelearn.com/courses/antimicrobial-resistance-food-chain>)
- Free-of-charge online training course from the London School of Hygiene & Tropical Medicine
The Role of Diagnostics in the Antimicrobial Resistance Response
(<https://www.futurelearn.com/courses/role-of-diagnostics-in-the-amr-response>)
