Globethics.net – Resources on Environmental, Climate and Development Ethics

Globethics.net Library

Homepage: **www.globethics.net/library/home**

The Globethics.net Library has more than 14'000 documents related to environment or ecology and ethics, it includes more than 4'000 articles, 1'000 master or doctoral dissertations and 800 books. An additional 2'000 documents are focusing on ecotheology.

Collections: **https://repository.globethics.net/community-list**

A special collection on Climate Ethics gathers about 11'000 documents (https://repository.globethics.net/handle/20.500.12424/28) pertaining to the ethical and theoretical framework around climate change regulation and ethics.

A broader collection on Environmental Ethics is planned for 2020 (https://repository.globethics.net/handle/20.500.12424/33).

In relation to religious aspects of development, we have a collection on Ecotheology, Climate Justice and Food Security (https://repository.globethics.net/handle/20.500.12424/85).

Journals: **https://repository.globethics.net/handle/20.500.12424/93**

There are Open Access journals related to development and environmental issues in the Globethics.net Library. You can subscribe to any journal when you are logged on to your Library Repository account. You will then receive email alerts when new content is uploaded for each title.
