

# Humanitarian Response for Children Inside Ukraine

Factsheet No.10 (1 - 30 September 2022)

## Ukraine situation

## Ukraine Programme Targets and Results for 2022<sup>1</sup>

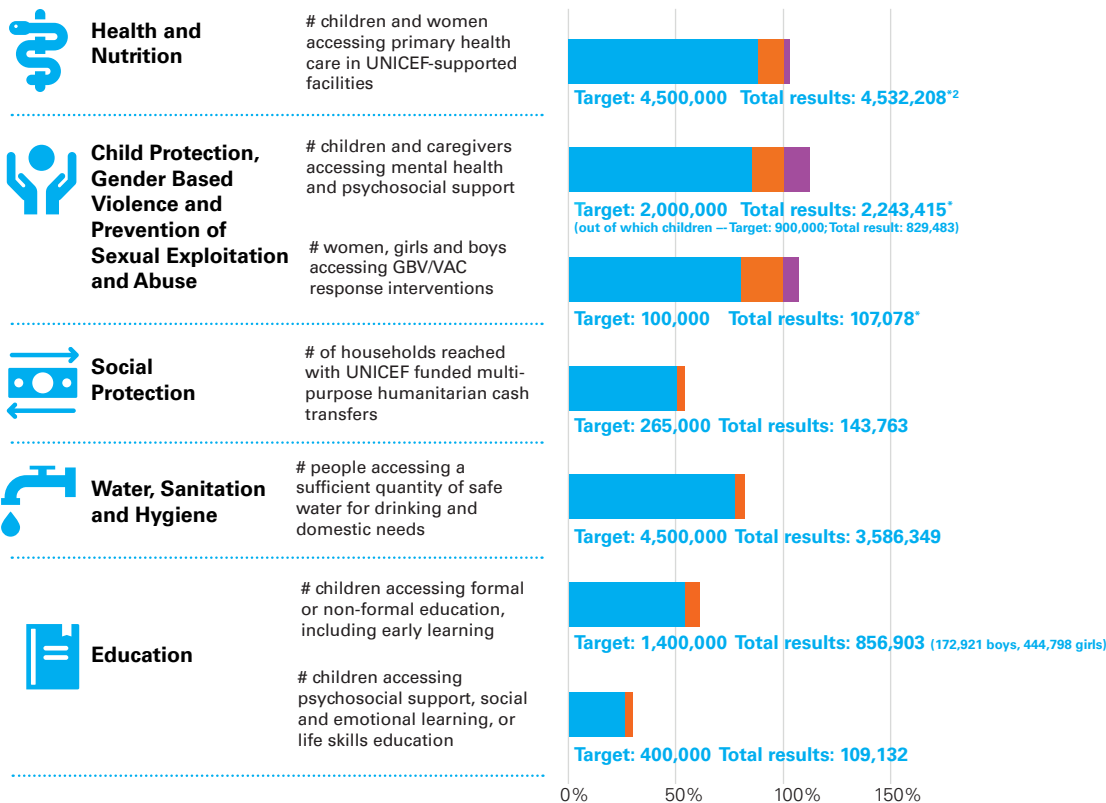

Results from previous reporting period ■ Increase during current reporting period ■ Overachievement during reporting period ■

**7 million**  
internally displaced  
in Ukraine (IDP)  
OCHA, Ukraine Situation Report, 21  
September 2022

**3.3 million**  
children in need  
in Ukraine  
UNICEF HAC as of August 23 2022

**17.7 million**  
people in need in  
Ukraine  
UNICEF HAC as of August 23 2022

**2.3 million**  
children targeted by  
UNICEF Response in  
Ukraine from March to  
December 2022  
UNICEF revised HAC as of October 2022

<sup>1</sup> Updates on programme-related targets are collected and reported on a fortnightly basis, aligned with SitRep reporting. Factsheets thus reflect this fortnightly results reporting.

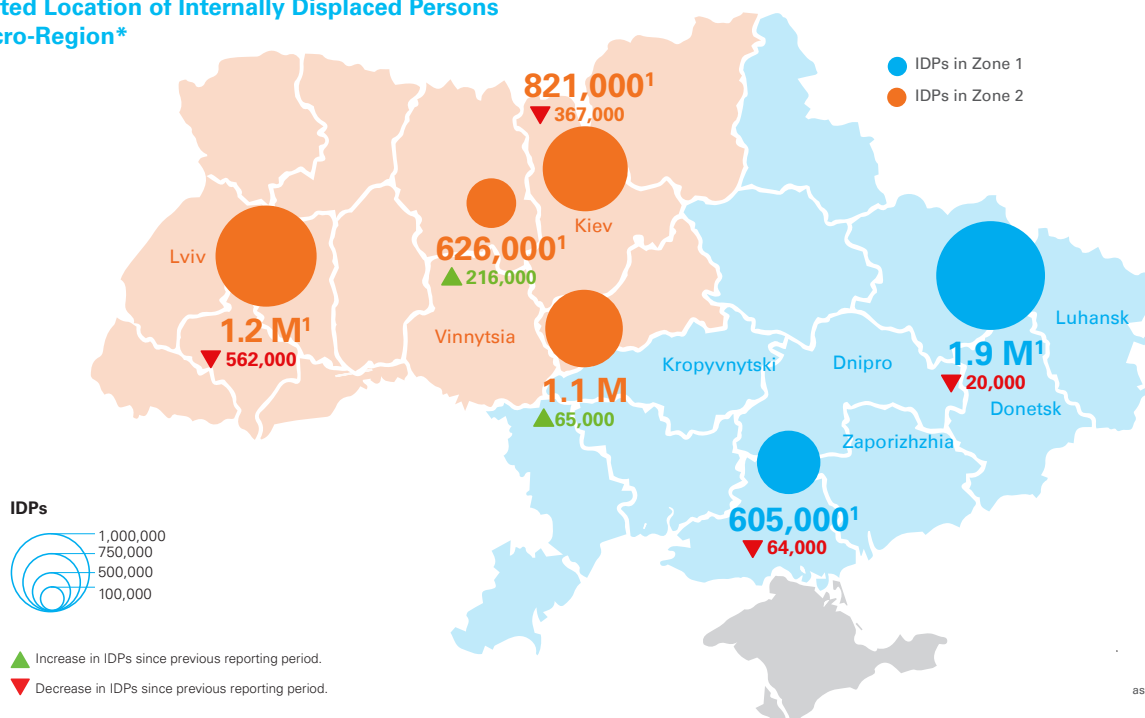

<sup>2</sup> This result is calculated based on the delivery of supplies from UNICEF to implementing partners.

<sup>\*</sup> Overachievement reported on both indicators is mainly due to under-estimation of target at the planning stage, to be adjusted in a future revision. The revision is currently ongoing.
