

CANSA's Position Statements & Fact Sheets

CANSA's *Fact Sheets* & *Position Statements* are provided for general information purposes only, and to state our stance on particular matters. We do not specialise in treatment of cancer. It is therefore important to discuss any questions which may arise with the appropriate specialists.

Please consider making a donation

Please consider making a donation to support our ongoing educational efforts to lower the cancer risk. Give a gift to our CANSA Care Homes to help support critical services for cancer patients. Thank you in advance for your generosity.
